TOURNAMENT RULES AND REGULATIONS

Playing Rules

1. Playing rules will be those recognized by **HEO (Hockey Eastern Ontario)**, except as noted:
2. **Neck guards & Mouthguards:** Players are required to wear neck guards & mouthguards at all times during play if their own district requires that they do in league play.
3. It is the **TEAMS RESPONSIBILITY** to report any suspensions received in league play / other tournaments that carrier over to this tournament. Failure to do so could result in further sanctions by home branches.
4. **Body Checking (for clarification only):** Is **NOT** permitted in any division.
5. Game Length:
 - a. Warm-Up:
 - i) **ALL DIVISIONS:** 2:30-minutes
 - b. Periods:
 - i) **ALL DIVISIONS:** Games will consist of 3 x 10-minute stop-time periods.
 - c. In situations of extreme delay, a curfew clock may apply to regulation time at the discretion of the tournament coordinator or a designate should it be required to help keep the tournament within its allotted ice times.
 - d. In the event of a slowly played game, the final period may be switched to running time at the discretion of the tournament coordinator or a designate. Also, the Tournament Committee MAY eliminate the running clock for any game as tournament games get ahead of schedule and time permits (note that the running clock may be re-implemented at any time should the pace of the game warrant such a move).
 - e. In situations where games are running late, warm-ups may be shortened, and player of the game ceremonies may be cut in an effort to get back on-time. Coaches will be given the player of the game award to hand out in the room.
 - f. After intermissions (mid-game floods – for applicable divisions) teams should go directly to their bench - no warm-up is permitted at this time. Teams are to ice their starting players only.
 - g. If, at the beginning of the third period or at any time during the third period, a team is ahead by five or more goals, straight running time shall commence on the game clock. If the goal differential is seven goals at any time during the first or second period, running time shall also commence. If at any point the margin is reduced to two (2) goals or less, stop-time play shall resume. This rule is in effect for all games including round robin, playoffs, and championship games.
 - i) Please note that when running time is in effect ALL PENALTIES will be amended to reflect such e.g. minor penalties will be 3mins, double minors will be 6mins, majors will be 7mins and misconducts will be 12mins.

6. Time-Outs: Each team is permitted one (1) thirty (30) second time out in **PLAYOFF GAMES ONLY**.
7. Round Robin Standings: Standings will be based on points: two (2) points for a win, one (1) point for a tie, no points for a loss.
8. Tie-Breaker, Round Robin: If tied in points, standings (seedings) will be determined based on the following order:
 - a. The head-to-head result involving the teams tied (two-way ties only or if one team has beaten all others they are tied with).
 - b. The team with the most wins in round robin play.
 - c. The highest ratio of goals for divided by goals for plus goals against $[GF/(GF + GA)]$ (up to the 5th decimal).
 - d. The team with the lowest number of goals against.
 - e. The team with the most goals for.
 - f. The team with the lowest number of penalty minutes accumulated in round robin play.
 - g. The team with the most shutout periods (periods with zero goals allowed).
 - h. The team who scored the fastest goal in any of their preliminary round games.
 - i. Coin toss by the tournament coordinator or a designated representative.

Note: in the event that three or more teams are tied, there will be no reverting back to a previous tie-breaking step as each seed is determined. Should two of three teams still be tied after a tie-breaker, those two teams will continue down the list of tie-breakers, and the single team will either be eliminated (if they fell below the other two teams), or be skipped above (if they stood above the other two teams). Furthermore, please note that the highest ratio tie-breaker heavily favors fewer goals against as opposed to higher goals for.

9. Tie-Breakers, Playoff Games: Overtime & Shootouts will only be played in playoff and championship games if regulation time produces a tie. **NO OVERTIME OR SHOOTOUT IN CONSOLATION GAMES.**
 - a. Overtime: One sudden-death 5-Minute stop-time period with teams playing three (3) skaters plus a goaltender. Teams DO NOT change ends for this fourth period.
 - b. Shootout: If still tied after overtime, a best of 3 shootout will commence. The coach of each team will provide the game officials with the list of these three players immediately following the final overtime period.
 - i) Players will shoot one at a time with the HOME team choosing whether they shoot first or last.
 - ii) If a player was penalized during overtime and there is still time remaining in their penalty at the end of overtime, that player is not eligible to participate in the shootout **AT ANY TIME.**
 - iii) If still tied after the best of 3, a sudden-death will commence. Each shooter must not have participated in any prior round of the shootout (best of 3). Whichever team shot first in the previous round, will once again shoot first.
 - iv) Repeat point iii) until no skater remains that has yet to participate. At this point, the shootout will continue in reverse order, starting with the player who has most recently shot. Teams will continuously work up and down their list of shooters until a winner has been declared.
10. Affiliate Players:
 - a. Teams MUST follow their home districts' affiliation policies including but not limited to, total number of games eligible to affiliate with one team, maximum number of affiliate players allowed to be used in a game etc. Failure to do so could result in further sanctions by home branches.
 - b. All affiliate players MUST be listed on the Official Branch Issued Roster provided to the tournament committee prior to the start of the team's first game.

- c. Affiliate players **DO NOT** need to play in a round robin game to be eligible for playoffs. Any affiliates approved by a team's home branch and sanctioning body is eligible provided they are listed on the Official Branch Issued Roster provided to the tournament committee prior to their first.
 - d. Players are permitted to be rostered on multiple teams provided their primary team is a lower caliber than their affiliate team and the teams are playing in different divisions in the tournament. No player is permitted to be rostered on more than one team participating in the same division.
11. Stick Measurements: Teams are NOT allowed to request the measurement of any stick during tournament games. If teams have a concern with an opposing player's stick, they must bring it forward to the attention of the referees, whom will use their discretion in the matter.
 12. **Suspensions:** Any player or team official receiving a suspension will be penalized at a MINIMUM according to the HEO code of discipline. All teams **MUST** report suspensions to their home sanctioning body and/or through their home branch systems for final confirmation. Teams **MUST** consult their own code of disciplines to determine their suspensions should they be in excess of what is assessed by the tournament committee – failure to do so could result in further sanctions by home branches. All appeals and their respective processes fall under the team's home district. **THE TOURNAMENT COMMITTEE IS UNABLE TO REDUCE, RESCIND, ADD OR ALTER ANY SUSPENSION.**
 13. Any player who receives three (3) stick-infraction penalties (cross-checking, high sticking, buttending, slashing, spearing) in the same game will receive an automatic game ejection.
 14. A player of the game or hardest worker award will be awarded at the conclusion of each game. No player may win the player of the game more than once during the round-robin portion of the tournament. Coaches will be asked to select their team's player of the game (See "Playing Rule" 5. point e. for more information).
 15. For playoff and championship games, the home team will be the team with the highest seeding after the round robin portion in the tournament using the tie-breaking rules above.
 16. ALL teams will shake hands at the conclusion of each game.
