Thank you for attending our Annual General Meeting. I will provide you with information on some events and changes that have taken place over the past year and some initiatives for the future.

Firstly, I would personally like to thank all of our current board members and all of our volunteers for their considerable time, involvement and personal efforts. Year 2022 was very busy. I would also like to thank our city representative- regisseur - Frederic Gallant for all of the dedication and support he provides us throughout the year. Another important aspect of running our club is field reservations which David Théoret does as a volunteer which requires many hours of work. Thank you!

Everyone that is part of the success in operating the club and you are many, a big thank you for your work.

The conditions were much better this year, we were able to have a great summer season without any covid cases on our grounds!

We had a slight increase in registrations compared to last year. We have about 650 members. Please spread the word to friends and neighbors to come and play for Greenfield Park. We need to work on increasing our membership.

We are always looking for volunteers to fill administrator positions. As you are well aware our main source for operation for the club comes from our volunteers. Our volunteers are assisted by paid technical staff. This adds up to around fifty volunteers in our club in 2022.

This structure allows us to keep the club in good financial health.

We have no debt; our financial statements are reviewed by a chartered accountant and are up to date. The financial statements for the year ended September 30, 2022 will be distributed to you for consultation.

Reconnaissance Régionale: We were awarded this on December 14th 2021. Bravo to us. Now we need to keep up the good work and maintain this.

Accreditation:

Congratulation! Carlos Rocha who passed his Licence B provincial back in February 2022

I would like to take this opportunity to THANK YOU! for the dedication that you give to our club, our kids and all members. The patience you have and the passion you have is incredible. You always try to advance and learn and teach in a positive manner.

Everyone sees your dedication. You are a pillar of ASGPK soccer association.

Your successes are ours! Keep up the great work!

Coaches / accreditation : Thank you to all for your dedication and always striving to go higher .

Attendance to Tournaments

A few teams attended tournaments this year

U8M festival de Brossard

U10M and U12M attended a Brossard tournament and finished in the semi finals of the Challenge de Brossard

U10F attended the Boucherville tournament

Teams which finished the summer with medals

I am very proud of our association; we have won several medals this year:

U14F League Champions and Playoffs Gold medal

U14M Playoffs Gold medal

U21M Playoffs Gold medal

Senior F D4 League Champions and Playoffs Gold medal

Senior D1 League Champions

Senior D3 League Champions and Playoffs Gold medal

What an accomplishment!

This year we had many fines, which is something that we will need to work on with our members. We need to diminish this substantially.

Stats :

Yellow cards total for ASGPK qty 212 over 1717 total Ligue. In the male adult categories, we are sometimes in 1st -2nd or 3rd place with the highest qty of cards.

We have received 7 red cards over 95 in total for the Ligue.

This is unacceptable.

It will be addressed at the beginning of next summer season with all teams. Players need to be aware that there are consequences and cost and some will be transferable to the player.

Priorities for 2022 :

Volunteering :

As last year, our club has set objectives to strengthen its structure in regards to the level of the volunteer staff as well as for the administrative and technical sides.

We must recruit volunteers for the positions on the board of directors that will be available. Also recruit volunteers for activities through out the seasons.

Continuous achievement of accreditation for coaches:

We must also continue the training of our coaches and technical team. The passion of these people and their desire to transfer their knowledge to young coaches and / or players is wonderful.

We are also recruiting referees. .

If you are interested in being part of the 2023 season please contact us.

We are counting on your support to develop our great teams.

The reform of Soccer Quebec and Soccer Canada clubs:

This summer we were visited/checked by ARSRS for our CDC. They came to verify that we are proceeding according to the norms established by Soccer Quebec. I am very proud to say that our team did very well and we passed their inspections. It was a success! The technical team, the coaches and the volunteers did a great job. Thanks to all!

Now we have to continue the great job and maintain the standard that is already set.

All the while continuing to develop our young players and inspire them with a passion for our favorite sport.

Thanks!

Once again, I take this opportunity to thank everyone who gets involved in whichever capacity you can. This is your club! Take care of it so that our players have a place where they feel welcome, can develop their skills, use up their energy in a safe learning environment.

Best regards!
