

Exciting New Partnership for Girls Hockey – Westmount, CSLMHA & MWH Hockey

Dear Parents,

We are thrilled to announce we are working on a new partnership between **Westmount Hockey, CSLMHA, and MWH Hockey** aimed at strengthening our girls hockey programs and creating more opportunities for development, growth, and fun on the ice.

Mandate

Our shared goal is simple:

To encourage the growth of girls hockey and foster an environment where every player can compete at their appropriate skill level, in a well-structured, inclusive, and development-focused setting.

Why This Partnership?

By combining our efforts, we're building a stronger and more dynamic association that offers:

- **Access to multiple ice surfaces** for greater scheduling flexibility
- An **increased player pool** to ensure appropriate team placement
- **Collaboration across associations** to improve the overall development of our girls hockey program

This partnership allows us to better support players of all skill levels while offering a more organized and positive hockey experience for everyone involved.

Registration Process

To register for the upcoming season, please register through your home association (Westmount, CSLMHA, or MWH hockey). Once tryouts and team formation are complete, you will be notified which association your team will be based in. For the upcoming season, each association will host different teams, and while the program is unified, teams will operate under local banners:

- **Westmount – Westluc Wings**
- **CSLMHA – Westluc Canucks**
- **MWH – Westluc Knights**

Looking Ahead to the 2025–2026 Season

We're currently working together to create fixed schedules for practices and home games, which will rotate between Westmount, CSLMHA, and MWH facilities. This consistency will allow families to plan ahead while giving all players equal access to quality ice time.

At the **M9 level**, we recognize this stage is often an introduction to hockey for many players and families. With that in mind, our goal is to **keep teams as local as possible** while still benefiting from the shared resources of this partnership.

At the **M12 and M15 levels, tryouts will be held**, and teams will be formed based on skill level to ensure a competitive and appropriate environment for all players. The tryout schedule will be posted in the weeks to come, so please stay tuned to our websites and social media channels for updates.

Join Us This September

We'll be hosting a **Welcome Event in early September** where families interested in girls hockey can come out, ask questions, meet coaches and coordinators, and learn more about the upcoming season. Whether you're returning to the ice or considering joining for the first time, we encourage you to attend!

Questions or Interested in Volunteering?

If you have any questions, please reach out to your local association representative:

- Westmount – Alyssa Sherrard / asherrard@Westmount.org
- CSLMHA – Janna Gillis / jgillis831@gmail.com
- Montreal West/Hampstead – Eric Rayment / eric@hockeymontreal.com

More information about tryouts, schedules, coaching staff, and more will be released in the coming weeks.

If you are interested in coaching or volunteering, please let us know by completing this short form:
