

Hockey Canada Exclusive Payment Processing Offer

Create your merchant account

Put your time and money where it matters!

Spordle has partnered with Paysafe, the leader in integrated payments, to make online registrations as easy as possible for your members in the HCR 3.0 platform. Registration is the first step toward reaching our goal of helping volunteers all across the country save some valuable time and effort so that they may concentrate on what truly matters, helping kids play hockey and growing the game.

Key benefits

- Fully integrated payment experience within the HCR 3.0 (no external checkout pages).
- Activate your merchant account directly through the HCR 3.0 platform. No paper application or redirect to a third-party application form.
- Easily refund customers as needed through the HCR 3.0 platform. Merchants will be allowed to go under zero to refund their customers.
- Access to detailed reports, monthly statements and full transparency into your transactions, all from within your HCR 3.0 platform.
- Access to 24/7 bilingual customer and technical support.

Easy to understand, easy to budget, easy to explain to your MHA board members.

*In the unlikely event a chargeback or retrieval occurs, \$15 per chargeback or \$10 per retrieval/reversal would apply. Assessments are passed through separately.

Onboarding information and process

For New Accounts

Step 1

Organizations must onboard (merchant account creation) through HCR 3.0 ONLY with the credentials the MHAs will receive on June 1 2021.

Step 2

Once the application to Paysafe in HCR 3.0 is completed, send void cheque* to customersupport@paysafe.com. Make sure to include your organization name and 10 digit account number that will be generated during step 1 in the title and to attach the void cheque. The organization name must be clearly identified on the cheque.

*Once your account is created during the step 1 process, organizations will be able to start registrations and collect them into their Paysafe merchant accounts. Step 2 is to create the link between your merchant account and your current banking account so that your money may be transferred.

For Current Paysafe/Netbanx Customers

There is no required action!

Paysafe will be handling the transfer in the back-end before the official rollout on June 1 2021.
